

ASEAN JOURNAL ON SCIENCE & TECHNOLOGY FOR DEVELOPMENT

Call for Papers

The ASEAN Journal on Science & Technology for Development (AJSTD) is pleased to announce a call for papers for its upcoming December 2018 issue. AJSTD publishes original research and policy articles across the gamut of science, including biotechnology, sustainable energy research, materials science and technology, marine science, meteorology and geophysics, food science and technology, microelectronics and information technology, space technology and applications, science and technology policy, and infrastructure and resource development.

Submissions are open year-round, with no charges levied for publication in the journal. Visit the AJSTD website at ajstd.org to submit your paper now.
