

Call for papers

ASEAN JOURNAL *on* SCIENCE & TECHNOLOGY *for* DEVELOPMENT

The *ASEAN Journal on Science & Technology for Development* (AJSTD) publishes analyses of scientific and technological policies and programs, as well as original research shaping social, technological, and economic development in Southeast Asia.

ASEAN JOURNAL *on* SCIENCE & TECHNOLOGY *for* DEVELOPMENT

Submit any time

Submissions are open year-round. You can submit any time.

All authors welcome

AJSTD is open to all authors. Researchers and professionals alike from across the globe are invited to publish with us.

Topics of interest

Biotechnology, non-conventional energy, materials science and technology, marine science, meteorology and geophysics, food science and technology, microelectronics and information technology, space applications, science and technology policy, and infrastructure and resource development.

Turnaround

Decisions on manuscripts are made within an average 14 weeks of their submission.

Submit now

Authors are invited to submit their manuscript for the forthcoming December 2018 edition of AJSTD (Volume 35). Original articles with novel solutions to the modern technological challenges faced by ASEAN nations and have the potential to affect policy change are especially encouraged.

Manuscripts can be submitted online by visiting the AJSTD submissions page.
AJSTD does not levy any article processing charges.

UNIVERSITAS
GADJAH MADA

The *ASEAN Journal on Science & Technology for Development* is published in cooperation between the ASEAN Committee on Science and Technology and the Ministry of Research, Technology, and Higher Education of the Republic of Indonesia.
It is currently managed by Universitas Gadjah Mada, Indonesia.
